BASEBALL OUTING PATRIOTS DAY - 9/11/03

Business Day Special 12:35 PM Pirates vs Reds

TO ALL MIAMI VALLEY SPE MEMBERS:

First of all we hope everyone has had a wonderful fun filled summer and are looking forward to another great year from your Miami Valley SPE. Once again our Byron Nelson Memorial Golf outing was a huge success, raising money for our Education Fund.

Starting off this year we are looking to do something a bit different! Rather than have a traditional meeting the 2nd Thursday of September, we are having a social outing at the Great American Ballpark in Cincinnati. Despite what has happened to our illustrious Reds team we would like you and a guest to come join us for a "Businessmen" (persons) Special afternoon game on Thursday September 11th. We encourage members to bring a guest and a bunch of new ideas on what you want from SPE along with suggestions and ideas for future meetings. A group rate of \$14.00 a ticket is a big break!

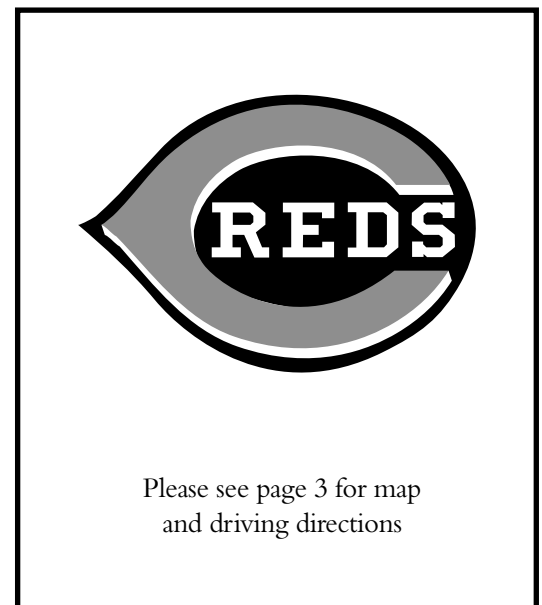

This year we are planning some new things such as an "Automation Night" in October, and a possible tour of the "Packard Auto Museum" in Dayton. Other topics are Software Training with Decoupled Molding, Multi-shot molding, and a meeting on tooling, or as Mickey calls it "Is it the molds fault or the molders fault?" The traditional Materials Night and Education Nights are on the schedule. We are looking forward to seeing you and a guest at, "the old ball game," in a brand new ballpark.
